I don't care if you are a guy, if it is a hot girl with nice tits, and you are putting her in some of your vids, I will enjoy it. I'm just not into big boobs. I like the girl at the counter. I like her ass. I like her tits. I don't like her face. I want to be put into the place where I say, "I would have to have the best tits in the world to get me to take my pants down and let her. Fuck that, I'll let myself be pounded by whoever has the best tits. I'll let them do anything to me that they want, and I'll suck anything that they want too." The worst have been the high-def ones with bigger screen sizes that make everything so blurry. I'm sure if you get to a 7 or 8 82157476af
